From the North (Tallahassee) - I-75 south to the first Gainesville Exit 390. Turn left (east) off exit crossing over I-75. Go approximately 7 miles. Turn right onto NW 34<sup>th</sup> Street (8 lights). Streets are numbered so it's easy to follow.

Take NW 34<sup>th</sup> Street down to University Avenue (4 lights) and turn left. Follow University Avenue to Gale Lemerand Drive (3rd light) and turn right into campus where the speed limit is 20 mph. On the map you are between the stadium and the O'Connell Center. The street used to be called North South Drive.

Go to 2<sup>nd</sup> light and turn left onto Museum Road then make the first left, then right into garage. When entering the garage, continue around to the lower parking level where you will find an attendant. Be sure to have your parking pass displayed on the dash board.

From the parking garage take those elevators to the first floor. Walk along the outside concourse and enter into the Reitz Union. Inside the Union, take the elevators or the large staircase (behind the elevators) to the second floor where the Grand Ballroom is located.

From the East (Jacksonville) - From Waldo Road (SR 24-which becomes Williston Road on map) pass Gainesville Airport and continue down to University Avenue. Turn right onto University Avenue. Continue down to 13<sup>th</sup> Street and turn left (Holiday Inn on right). At the 4<sup>th</sup> light turn right onto Museum Road.

You enter campus at this point and the speed limit is 20 mph. NOTE: traffic stops at pedestrian crosswalks as they have the right-of-way.
